9. How close are the Muslims to winning this War?

Insha-Allah, with the Help of Allah, then the support of the millions of Muslims around the World who have been following our news everyday, we are very close to winning this War in the same way that we won the last one. Even if the Russians take Grozny, how long will they keep it: one month? One year? Ten years?

They tried to destroy Islam again by invading Tajikistan and Chechnya in 1994, where they were driven out in shame. Sadly for them, this War will be the end of Russia. Many sleeping Muslims around the World have been awaken due to this War. Hundreds of fresh foreign volunteers have arrived in Chechnya. This is not a war about personalities.

Thousands of Russian prostitutes continue to earn millions from trade in the Middle Eastern countries such as the UAE and Bahrain.
